Summer Intern Housing and Local Transportation

This webpage includes information useful for CRESST interns who are in need of housing close to the Goddard Space Flight Center.

Housing Options

The CRESST Summer Internship is not able to provide a housing subsidy in addition to the internship stipend. Students are responsible for arranging and covering all costs associated with their own housing. However, CRESST is committed to helping students find acceptable housing. As a starting point, we have included previous intern suggestions of possible housing options below. Remember that it is always best to check ratings and references before reserving housing at any location.

### Transportation Options

Goddard is located along a Metrobus line and only a few miles from a D.C./Maryland Metro station. For general maps, schedules, and other information regarding the D.C./Maryland Metro system, click on the following link: [http://www.wmata.com](http://www.wmata.com). Specific information about transportation to and from Goddard is described below.

**Metrobus:**
Most of the CRESST housing recommendations are located in Old Greenbelt along the Greenbelt-New Carrollton Metrobus line, with the G12 and 14 buses all stopping outside the front gates of Goddard.

The G12 & 14 Metrobus schedule can be found at the following link:

**Metro:**

- If you choose not to live in the Greenbelt area but are in need of public transportation, Goddard is located within 5 miles of the Greenbelt Metro Station. Once at the Greenbelt Metro Station, take the Metrobus G14 or Prince George’s County TheBus 15X to the front gates of Goddard.

- The Greenbelt Metrobus schedule can be found at the following link:

**Car:**

- If you are using your own car, there is plenty of onsite parking at Goddard.

If you are having issues securing housing, please contact the CRESST Program Coordinator, Katie McKee, for assistance.
